July 2024

To Our Customers:

The Belfast Water District (the District) will be filing a revised water rate schedule with the Maine Public Utilities Commission, to be effective September 1, 2024.

The filing is made under provisions of 35-A MRSA Section 6104-B. The docket number for the filing is 2024-00175.

Present rates for the District were effective January 1, 2024.

As expenses to operate the District continue to increase and new debt is being issued for capital improvements, the District is proposing a 1.5% increase on all rates in order to generate \$27,345 of additional revenue each year as shown below:

Residential	\$10,125	1.5%
Commercial	\$ 4,933	1.5%
Industrial	\$ 668	1.5%
Public Authorities	\$ 761	1.5%
Public Fire Protection	\$ 8,205	1.5%
Private Fire Protection	\$ 2,168	1.5%
Sales For Resale	\$ 485	1.5%
	<u>\$27,345</u>	<u>1.5%</u>

As a result of this rate increase, the 5/8" meter minimum charge will increase \$1.31 to \$88.77 per quarter.

If you have any questions or desire additional information, you may contact the District at (207)-338-1200, PO Box 506, Belfast, ME 04915.

Very Truly Yours,

Frank Short
Superintendent
