

UNSOLICITED PHONE CALLS ABOUT PRODUCTS OR SERVICES

A matter has come to our attention that recently people in Belfast have been receiving phone calls with the Belfast Water District's phone number 207-338-1200 appearing on their caller id. The unknown entity is a recorded message that is offering credit card services.

The Belfast Water District wants you to be aware that we are not affiliated with offering credit card services nor do we solicit any products or services.

If the District needs to contact you, it will be by letter or our Belfast Water District representative will call providing you with the proper identification.

If you have questions or concerns, you may call 207-338-1200, Monday thru Friday, 7:00 a.m. to 3:30 p.m.
